JOIN THE 21ST ANNUAL PROFIT 100

- ▶ **WHAT** Now in its 21st year, the PROFIT 100 is the definitive list of Canada's Fastest-Growing Companies ranked by five-year revenue growth. Many past PROFIT 100 winners grew into some of the biggest names in Canadian business, including Research in Motion, Sleeman Breweries, Forzani Group and WestJet Airlines.
- ▶ **WHY** As a member of Canada's Fastest-Growing Companies, you'll receive national media attention that can attract new customers, employees and business partners—and lead to higher sales. Make the ranking and you'll be featured in the June 2009 issue of PROFIT and online at PROFITguide.com. PROFIT 100 leaders also receive an exclusive invitation to the PROFIT 100 CEO Summit, Canada's most rewarding conference for entrepreneurial achievers.
- ▶ **HOW** You're a contender if your firm has grown by just 100% or more over the past five years. Simply fax or mail the ballot at right, or enter online at PROFITguide.com. If you don't have final numbers yet, give us your best guess. If you make the short list, we'll call to learn more about your firm.
